**Payment & Confirmation**

1. Course fees include training course materials, lunches and coffee breaks.
2. An invoice will be issued upon receipt of this registration form. The invoice is payable by check or wire transfer.
3. Confirmation of registration will be made in writing upon receipt of full payment.
4. There is no charge for personnel substitutions within the same session.

Cancellations

1. Cancellations received less than 30 days before course start date are subject to a 20% charge.
2. Cancellations received less than 15 days before course start date are subject to a 50% charge.
3. No refunds will be made for cancellations received less than 7 days before course start date, and "no shows".
4. Thermoflow reserves the right to cancel any regularly scheduled course that fails to meet minimum enrollment requirements. A full refund of the course fee will be made to those already confirmed.

Prerequisites

1. Attendees are expected to have a competent understanding of power plant thermodynamics.
2. Attendees should have spent at least one year using Thermoflow software consistently for work.
3. Basic knowledge of how to use standard Windows menus for loading files, printing outputs, etc. is required.

Review terms above, then sign below and provide completed form to Thermoflow to be registered:
